

Leading Hand – Form Setter / Concreter – Works

We are currently seeking applications for a Leading Hand – Form Setter / Concreter to assist with the construction and maintenance of civil infrastructure in connection with roads, footpaths, kerbing and channelling, stormwater drainage, boat ramps and other functions of Council.

About the role

This role is responsible for undertaking significant components of the Department's works programme, utilising the knowledge, skills and qualifications required. Undertake all work as specified in the relevant quality and safety plans ensuring compliance with all Acts, Regulations, quality standards and Codes of Practice. Maintain site records of daily activities as required to ensure safety and quality compliance, including risk assessments.

Under the general direction and in the absence of the Supervisor, this role assumes control and is responsible for all activities on the job site.

Why work for us?

- 9-day fortnight (76hr fortnight)
- Up to 12% Employer Superannuation with ability to salary sacrifice employee contribution.
- 5 weeks Annual Leave per year
- 13 weeks Long Service Leave after 10 years' service – pro rata available after 7 years
- Salary Packaging available
- Supportive and motivating team
- Active Social Club
- Fitness Passport Program
- Flexible work arrangements
- Relaxed lifestyle, boating, fishing, sports facilities, private and public schooling options up to Grade 12, cultural venues and events and all of this situated in a thriving agricultural community only an hour away from Townsville or two hours from the magical Whitsundays.

Applicants should familiarise themselves with the entire position description.

The gross fortnightly wage for this position ranges from \$2,651.46 to \$2,823.32 exclusive of applicable allowances and overtime.

Applications for **24/12 – Leading Hand – Form Setter / Concreter - Works** should include:

- Sound skills in job set-out and control.
- Concreting and form setting.
- Time management.
- Sound literacy and numeracy.
- Competent electronic device utilisation skills.
- Conflict resolution.
- Sound problem solving.

Abilities

- Ability to manage time effectively, carrying out work efficiently, to a high standard within set time frames.
- Place, compact and finish concrete within specified quality standards.
- Install and repair precast reinforced concrete pipes, box culverts, and cast in-situ structures.
- Set-up formwork systems utilised in the construction of in-situ concrete structures.
- Use an automatic level, total station and laser technology for project set out and quality checking.
- Read and comprehend detailed job plans, specifications and reinforcing schedules.
- Assess and document risks and safety aspects associated with assigned works.
- Effectively manage employees resolving interpersonal conflict.
- Established ability to work productively with minimal or no supervision.

Other Requirements

- Physical fitness level necessary to undertake manual handling and labouring for extended periods in direct sunlight.

Leading Hand – Form Setter / Concreter - Works

- Be available to work a reasonable amount of overtime and attend out-of-hours emergencies as requested by the Supervisor.
- Participate in On-call Roster for Works Department as required.
- Ongoing requirement to maintain facial hair at sufficient length to successfully pass a Respiratory Personal Protective Equipment fit test for high risk works.
- Contribute to a harmonious working culture that rewards effort and maintains accountability.

Experience and Qualifications

- Considerable experience with the construction and maintenance of civil infrastructure in connection with roads, footpaths, kerbing and channelling, stormwater drainage, boat ramps and other functions of Council.
- General Construction Induction White Card and Certificate (CPCCWHS1001) Prepare to Work Safely in the Construction Industry.
- MR (Medium Rigid) Drivers Licence.
- Traffic Management Implementation Certification (RIIWHS302E).
- Identify, Locate, and Protect Underground Services (RIICCM202E).
- Ergon Energy approved course for Working Safely Near Live Electrical Lines & Apparatus.
- Enter and Work in Confined Spaces (RIIWHS202E).
- Department of Transport and Main Roads Working in Proximity to Traffic Awareness – Parts 1 & 2.
- First Aid Certificate.

Core Competencies

These competencies relate to Award Level 8 positions:

Teamwork

- Participate in team-based activities.
- Respect other team members.
- Complete the tasks allocated to you.
- Know the team goals, parameters, and major issues.
- Work within the parameters.
- Contribute willingly to team activities.
- Accept decisions, even those with which you disagree.

Customer Service

- Treat both internal and external customers with courtesy and respect.
- Work according to agreed customer service standards within your team.
- Contribute towards setting customer service standards within your team.
- Explore customers' expectations and base the service on this knowledge.

Communication

- Write in a clear and concise style, which is grammatically correct, well punctuated, and rarely contains passive sentences.
- Clearly express opinions, ideas, and information to colleagues.
- Actively listen.

Leading Hand – Form Setter / Concreter - Works**Quality**

- Work according to agreed quality standards within your team.
- Contribute towards setting quality standards within your team.
- Monitor your work and identify opportunities for improving quality.
- Suggest improvements through the customer request system.

- Implement strategies for reducing adverse impacts on the environment.

Work Health and Safety

- Work safely and in accordance with the relevant work method statements and procedures.
- Encourage your colleagues to work safely.
- Identify hazards and assess risks in the workplace.
- Use organisational systems, such as customer service requests, to identify and rectify hazards, near misses, and non-compliances with procedures.
- Anticipate problems and risks and modify work methods appropriately.

Efficiency

- Undertake tasks in an efficient and timely manner.
- Suggest improvements through the customer request system.

General

1. This is a description of the job as it is at present constituted. It is the practice of this organisation periodically to examine employees' job descriptions and to update them to ensure that they relate to the job as then being performed, or to incorporate whatever changes are being proposed. This procedure is jointly conducted by each manager in consultation with those reporting directly to him or her. Therefore, you will be expected to participate fully in such discussions. It is the Organisation's aim to reach agreement to reasonable changes where identified.
2. Whilst employment is in the position described in this document it is understood that employment is with Burdekin Shire Council. In the event of organisational change or restructure, Council may require employees to undertake other roles for which they are qualified and capable of performing.
3. Employees may be required to undertake a variety of duties not related to their substantive role in times of disaster.
4. All employees are responsible for making and keeping records in accordance with legislation, information standards and other relevant guidelines and procedures, and ensuring they are captured in the authorised recordkeeping system, Technology One Enterprise Content Management (ECM).

Leading Hand – Form Setter / Concreter - Works

5. Failure to maintain any licence or certificate, which is a condition of your employment, may result in demotion or termination as Council is unable to guarantee your transfer to a position not requiring the said licence or certificate.
6. All employees are expected to participate in Council's Induction Program and future training opportunities to maintain a current knowledge base and provide excellent service levels for internal and external customers.
7. All employees are to actively participate in the Employee Performance Development Program.
8. All employees must work in accordance with the standards contained within Council's Code of Conduct. Failure to do so may lead to disciplinary action up to and including termination of employment.
9. All employees are encouraged to be a contributing member to the wider Burdekin community and therefore it is highly recommended that you take up permanent residency within three months of the successful completion of your probationary period.
10. Abide by all existing policies, guidelines, and Operational Standards and as amended from time to time.
