

Council is seeking applications to fill the position of Labourer in the Works section. Working within a small team, the functions of this position include the construction and maintenance of roads, footpaths, drainage structures, boats ramps and other Council infrastructure.

About the role:

The Labourer is required to assist work team members with the construction and maintenance of Council Roads and Drainage. A responsibility of the position is to participate in and conduct risk assessments prior to commencement of work on job sites. The Labourer will also ensure the safe operation and maintenance of small plant and equipment. The position involves working overtime and attending out-of-hours emergencies, as requested.

Why work for us?

- 9-day fortnight (76hrs fortnight)
- Up to 12% Employer Superannuation with ability to salary sacrifice employee contribution.
- 5 weeks Annual Leave per year
- 13 weeks Long Service Leave after 10 years' service – pro rata available after 7 years
- Salary Packaging available
- Supportive and motivating team
- Active Social Club
- Fitness Passport Program
- Flexible work arrangements
- Relaxed lifestyle, boating, fishing, sports facilities, private and public schooling options up to Grade 12, cultural venues and events and all of this situated in a thriving agricultural community only an hour away from Townsville or two hours from the magical Whitsundays.

Applicants should familiarise themselves with the entire position description.

The gross fortnightly wage for this position is \$2,419.59 exclusive of applicable allowances and overtime.

Applications for **24/66 – Labourer - Works** should include:

- A cover letter
- A current resume
- Statements addressing the selection criteria
- Copies of relevant qualifications and licences

Applications can be submitted using one of the following methods (Word or PDF format is preferable):

- Email – employment@burdekin.qld.gov.au
- Mail – Confidential Application No. 24/66, PO Box 974, Ayr Qld 4807

Applications will remain open until the position has been filled.

For further information please contact the Works Overseer – Robert Potter on (07) 4783 9800.

It is essential to respond to each criterion explaining how you have demonstrated each skill or quality and including examples from your work experiences. Short-listing of candidates will be based upon an assessment of how well the following selection criteria are addressed.

Essential

1. Current MR (Medium Rigid) Drivers Licence or ability to obtain within 6 months.
2. General Construction Induction White Card and Certificate (CPCCWHS1001) Prepare to Work Safely in the Construction Industry.
3. Demonstrated sound written and verbal communication skills and the ability to follow both written and verbal instructions.
4. Ability to assess safety risks and complete and understand risk assessments associated with works.
5. Physical ability necessary to undertake manual handling and labouring for extended periods in direct sunlight if required.

Desirable

1. Demonstrated experience in the road construction industry.
2. Control Traffic with Stop-Slow Bat (RIIWHS205D or current) and Current Queensland Traffic Controller Industry Authority Card.

Position Number	30119
Certified Agreement	Burdekin Shire Council Certified Agreement
Award	Queensland Local Government Industry (Stream B) Award – State 2017
Award Section	Section 5 – Operational Services
Award Level	Level 3
Reports To	Supervisor - Works
Place of Employment	Council Depot, 25-51 Jones Street, Ayr

Position Objective

Be an enthusiastic, productive and reliable member of your assigned work team assisting the leading hand with the construction and maintenance of roads, footpaths, drainage structures, boat ramps and other Council infrastructure. Carry out duties as directed in an efficient, effective, and safe manner.

Key Responsibilities

Council is committed to a One Team One Council approach where all departments work collaboratively together to achieve value for money for the rate payers of the Burdekin.

Accordingly, the key responsibilities may be modified from time to time to ensure the expected outcomes are coordinated with Council’s operational and corporate plans. Without limiting the above, the key responsibilities shall include:

- Assisting work team members with the construction and maintenance of Council infrastructure in accordance with specifications, plans and safety documentation.
- Ensure the efficient use of materials, plant and labour under their control.
- Participate in and conduct risk assessments prior to commencement of work on job sites.
- Report immediately to the Works Overseer or Supervisor all lost or stolen items, incidents, accidents or hazards and participate in accident investigations making recommendations on changes to work procedures.
- Confirm the location of services (Power, Water, Fibre Optic etc.) before commencing works.
- Use initiative in catering for short term changes in priorities to, and conditions affecting the works.
- On a day-to-day basis, work efficiently and accurately, exercising initiative in the application of established work procedures.
- Assist in the establishment of desired outcomes for particular works for which responsibility has been allocated and to ensure their achievement.
- Undertake work as detailed in the relevant work quality plans and work procedures ensuring compliance with all Acts, Regulations and Codes of Practice including the Manual of Uniform Traffic Control Devices, Work Method Statements and the like.

- Will be required to work overtime when required and attend out-of-hours emergencies as requested by the Works Overseer or Supervisor.
- Report observed defects on roads, footpaths or drainage structures to immediate Supervisor.
- Other duties as directed by the Works Overseer or Works Supervisor.

Award Classification

These classification characteristics are drawn directly from the Queensland Local Government Industry Award (Stream B) and are used as a guide to determine the level of this position, but may not form a specific part of the key responsibilities:

Characteristics of level 3

Employees perform a broad range of tasks requiring developed industry skills. Employees would exercise a broad knowledge of construction and/or maintenance activities and either individually or as part of a team be able to undertake a substantial proportion of typical projects. The work would be performed under general supervision.

Position Requirements

Environment

- Work according to agreed environmental standards within your team.
- Contribute towards setting environmental standards within your team.
- Monitor your work for opportunities to reduce adverse impacts on the environment.
- Report incidents and suggest improvements through the customer request system.

Work Health and Safety

- Work safely and in accordance with the relevant work method statements and procedures.
- Encourage your colleagues to work safely.
- Identify hazards and assess risks in the workplace.
- Use organisational systems, such as customer service requests, to identify and rectify hazards, near misses, and non-compliances with procedures.

Efficiency

- Undertake tasks in an efficient and timely manner.
- Suggest improvements through the customer request system.

General

1. This is a description of the job as it is at present constituted. It is the practice of this organisation periodically to examine employees' job descriptions and to update them to ensure that they relate to the job as then being performed, or to incorporate whatever changes are being proposed. This procedure is jointly conducted by each manager in consultation with those reporting directly to him or her. Therefore, you will be expected to participate fully in such discussions. It is the Organisation's aim to reach agreement to reasonable changes where identified.
2. Whilst employment is in the position described in this document it is understood that employment is with Burdekin Shire Council. In the event of organisational change or restructure, Council may require employees to undertake other roles for which they are qualified and capable of performing.
3. Employees may be required to undertake a variety of duties not related to their substantive role in times of disaster.
4. All employees are responsible for making and keeping records in accordance with legislation, information standards and other relevant guidelines and procedures, and ensuring they are captured in the authorised recordkeeping system, Technology One Enterprise Content Management (ECM).

5. Failure to maintain any licence or certificate, which is a condition of your employment, may result in demotion or termination as Council is unable to guarantee your transfer to a position not requiring the said licence or certificate.
6. All employees are expected to participate in Council's Induction Program and future training opportunities to maintain a current knowledge base and provide excellent service levels for internal and external customers.
7. All employees are to actively participate in the Employee Performance Development Program.
8. All employees must work in accordance with the standards contained within Council's Code of Conduct. Failure to do so may lead to disciplinary action up to and including termination of employment.
9. All employees are encouraged to be a contributing member to the wider Burdekin community and therefore it is highly recommended that you take up permanent residency within three months of the successful completion of your probationary period.
10. Abide by all existing policies, guidelines, and Operational Standards and as amended from time to time.
